Allowed claims: 1-12

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103.

Specifically regarding independent claim 1, none of the prior art alone or in combination disclose or teach of a progressive addition lens including a near power region, a far power region, and an intermediate corridor with the disclosed dimensions, including a gradually decreasing refractive power, and further comprising a far point at the bottom of the far dioptric power region, specifically wherein astigmatism peaks are positioned only at the same height or vertically higher than the far point.

Specifically regarding independent claims 2, 7, and 9, none of the prior art alone or in combination disclose or teach of a progressive addition lens including a near power region, a far power region, and an intermediate corridor with the disclosed dimensions and further comprising a near point at the top of the near dioptric power region and an eye point in the intermediate corridor specifically wherein the eye point is located 9 to 12 mm higher than the near point.

Specifically regarding independent claim 12, none of the prior art alone or in combination disclose or teach of a progressive addition lens including a near power region, a far power region, and an intermediate corridor specifically wherein the vertical length of the corridor ranges between 24.5-25.5 mm.
